Keeping with Tradition

The girls recently linked up with one another to carry on the tradition of Big & Lil' Sisters. Newer team members are randomly matched with returning team members – offering each other friendship, academic and moral support.

Tradition continued as the entire team was divided into three companies. This year's company theme is The Care Bears; including Funshine Bear, Share Bear & Wish Bear which all help build camaraderie, and teaches fundamental life lessons among the teammates.

Triple S Crew

The Triple S Crew (Silver Starz Super Crew) is a newly formed parent group committed to helping the team throughout the year. There are opportunities for everyone, no matter what your talents, interest or availability. Your involvement is vital to provide the many enriching opportunities available for the team; therefore, we hope you will be actively involved with your student's school and activities. We have many ways to include your participation to positively impact the success of your student and the Wildcats Dance Team at Westchester Academy.
